Standard sizes for adult ties are dimensions of 56" long with three and three quarter inch wide blades at the widest point of the blade.

Scarves standard sizes are 54" x 9" and 30" x 30" - however this can be adjusted according to requirements.

To see a design, please let us have any ideas on colours and design. You may also want to consider whether you want a lightweight, medium or heavy tie. We can also adjust the width and length for ties, scarves and handkerchiefs.
